- Use plain icing not frosting
- Judges really enjoy an entry when it looks good, smells good, cuts well and tastes marvellous.
- Points will be lost for burnt cakes, cakes with rack marks, under-cooked and soggy cakes, badly prepared and irregular distribution of fruits, and tunnels or bubbles in the cake.

HINTS & TIPS FOR CAKE MAKING

- **Please read your schedule very carefully.** Some classes may have particular entry requirements.
- Judges look for many things when they are judging such as well-cooked entries, shape, presentation, preparation of fruits, baking (golden in colour outside, top and bottom), general appearance and presentation and most importantly, flavour.
- Use plain icing not frosting.
- Judges really enjoy an entry when it looks good, smells good, cuts well and tastes marvellous.
- Points will be lost for burnt cakes, cakes with rack marks, under-cooked and soggy cakes, badly prepared and irregular distribution of fruits, and tunnels or bubbles in the cake.

JAMS, JELLIES & PRESERVES (School Age & Under)

STEWARD: Yvonne Thomas

POINTS FOR JAM MAKING

- **Appearance of the Jam:** the colour of the jam, jelly or conserve should be bright. Jellies are to be clear without any trace of cloudiness, jams and jellies must be fresh.
- **Condition of Jam:** Jelly or Conserve: Consistency should be firm but not over stiff.
- **Flavour:** This is the most important thing. If tough skins are used this may cost you points.

PRESENTATION

- All exhibits other than preserves must be in **screw top** jars. Where the exhibitor has entered an exhibit in the wrong class, the Chief Steward shall have the power to rectify the error.
- Check jams **BEFORE** entering to make sure there is no mould present. Insufficiently boiled jam will be watery and mould will form no matter how well a jar is sealed.
- Fill jars almost to the top. Leave very little space between lid and jam. Seal tightly to exclude air.
- Jars in each class are to contain **not less than 250 gms of jam**.
- Jars to be clean and **without stickers or commercial lids**.
